

Session 3: How to Develop Your Child's Full Potential

God Has a Dream

1. You must understand your child's primary needs are for _____ and _____.

- Two questions kids are always asking:
 - Do you _____ me?
 - Where are the _____?
- The Perfect Parent

So God made man in His own image, in the image of God He created him; male and female He created them (Gen 1.27).

The Lord God took the man and put him in the Garden of Eden to work it and take care of it. And the Lord God commanded the man, "You are free to eat from any tree in the garden; but you must not eat from the tree of the knowledge of good and evil, for when you eat of it you will surely die." (Gen 2.15-17).

2. You must learn to recognize your child's primary responsibility is to learn _____.

Children, it is your Christian duty to obey your parents, for this is the right thing to do. "Respect your father and your mother" is the first commandment that has a promise added; so that all may go well with you, and you may live a long time in the land (Eph 6.1-3).

- Defining Obedience: obedience is teaching your child to come under the hearing of your voice.

Whoever has my commands and obeys them, he is the one who loves Me. He who loves Me will be loved by my Father, and I too will love him and show Myself to him (Jn 14.21).

3. Obedience is a _____.

Although He was a son, He learned obedience from what He suffered... (Heb 5.8).

And Jesus grew in wisdom and stature, and in favor with God and men (Lk 2.52).

Wisdom = _____

Stature = _____

Favor with God = _____

Favor with men = _____
